PRESIDENT: LB 484.

CLERK: Mr. President, 484, the first item I have, Senator, I have no E & R amendments. I do have an amendment pending from Senator Withem, Mr. President. Senator Withem's amendment is on 636 of the Journal.

PRESIDENT: (Gavel.) The Chair recognizes Senator Withem.

SENATOR WITHEM: Yes, Mr. President, this is the next best thing to an E & R amendment to LB 484. LB 484 is a bill that deals with sanitary and improvement districts which are entities that are created for the purpose of developing property and financing those developments to property which ultimately then becomes housing area or commercial area or industrial area. We have had a number of fights in the Legislature over SIDs and their proper role in the whole spectrum of subdivisions of government and taxing authorities and such. What this bill does is it offers a very minor change to the sanitary and improvement district. To understand the amendment, you must understand the bill, so I will explain both together. LB 484 is a bill which says that when a sanitary and improvement district is created, that we broaden the number of people who are notified that this SID has been created. In the bill we stipulated such things as law enforcement agencies, county
